Qty. 5 Red Male/Female 11" 4 Way Bus Jumpers With 40 Headers

Qty. 5 Red Male/Female 11" 4 Way Bus Jumpers with 40 Headers

Here is a unique product to make your prototyping and testing easier. The uses are many, but in short this product allows you to connect multiple points to a single common signal, save space and reduce jumper use in tight areas such as ground. It can also be used with electronic testing equipment such as logic analyzers as a signal interceptor to more easily access test points. We throw in a row of 40 headers for your convenience.
