

2-in-1 Cutter Strippers

- Cuts wire with one end, grabs and strips wire with the other.
- No stripping holes -- stripper self-adjusts to wire size.
- Cutting head is full-flush cutting and low profile with stainless steel, induction-hardened jaws.

Stripper self-adjusts to wire:

- 1 Position wire end between the stripper jaws, and secure the wire by placing thumb and finger against the jaws.
- 2 Pump handle with one quick motion.
