

203-0006-01

4 Pack of SchmartPatch for SC70-6

Model# 203-0006-01

UNIT: Inch

203-0006-01

4 Pack of SchmartPatch for SC70-6

SchmartPatch allows you to add components to or replace components on any substrate such as a PCB(Printed Circuit Board). This SchmartPatch board allows you to cut off a pad, stick it on to the surface (with the adhesive already on the back of the SchmartPatch) and then solder a component onto the SchmartPatch. There are also pads to solder jumper wires to make the electrical connection. This board has 5 sets of pads that can be cut off as needed. Each of these pads support all components in any of the SC70 packages up to 6 legs. 4 SchmartPatches are included.

SchmartPatch Surface Mount Family
