1 Introduction

Figure 1: BEZ-202C-V1

Figure 2: BEZ-204A-V1

The Bezel and Mounting Kit is a system to mount Matrix Orbital displays while providing a clean and visually pleasing appearance. It is made from injection molded plastic, with threaded brass inserts allowing easy attachment and removal of the bezel and display. A clear plastic window is included to protect the display.

Each bezel is available in two versions; a kit including all required mounting hardware, and an OEM version which includes only the bezel and window.

There are several sizes available, each of which fits a different size of display.

Sizes currently available include:

Bezel	Compatible Displays
BEZ-202C-V1	LK/VK202-25 LK/VK202-25-USB MOS/MOI/MOU-AL/AV202C MOP-AL/AV202C Many other industry LCDs with 108mm x 29mm mounting holes
BEZ-204A-V1	LCD/VFD2041 LK/VK204-25 LK/VK204-25-USB MOP-AL/AV204A GLK12232-25-FGW/WB Many other industry LCDs with 93mm x 55mm mounting holes
