

572 Series Panel Mounted Fuse Holders

The Littelfuse 572 series panel mount fuse holders are a time-saving alternative to traditional panel mount holders. The exclusive design minimizes installation time by incorporating a snap-mount feature that allows the holder to be installed without any tools or mounting hardware. The 572 series is available for Class CC (branch circuit protection) or Midget (supplementary protection) type fuses. Class CC fuse holders incorporate a rejection feature to prevent the use of fuses with lower voltage and interrupting ratings.

Features/Benefits

- Installs without any tools or mounting hardware.
- Designed for use with Class CC and Midget fuses.
- Available in watertight versions to accommodate applications that require wash-downs such as food processing.
- Available with pre-assembled wire leads to further reduce assembly time. (Contact factory for information)

Mounting

The Littelfuse 572 “snap-mount” style fuse holder eliminates mounting screws and nuts by simply snapping into the panel. To ensure anti-rotation, a standard Double “D” punch is recommended (Example: Greenlee Punch Unit 61092).

Specifications

Voltage Rating:	600 Volts AC/DC
Ampere Rating:	30 Amperes for Class CC and Midget fuses
SCCR Rating:	200,000 amperes - Class CC versions 10,000 amperes - Midget versions
Panel Thickness:	14 – 18 Gauge Standard versions 14 – 22 Gauge Watertight “P” versions
Dielectric Strength:	4000 Volts
Terminals:	Tin-plated brass combination solder and ¼ “quick-connect
Molded Parts:	Black thermoplastic – 150°C UL Rating
Flammability Rating:	94VO
Approvals:	UL Recognized (File No. E14721) UL Recognized for branch circuit protection – Class CC versions CSA Certified (File No. LR7316)

Ordering Information

Part Number		Bottom Terminal	Fuse Length Range*	For Use With
Standard	Watertight			
572 027	572 027P	Straight	1-5/16" - 1-3/8"	Midget
572 028	572 028P	Rt. Angle		
572 007	572 007P	Straight	1-13/32" - 1-1/2"	Midget
572 008	572 008P	Rt. Angle		
572 0CC	572 0CCP	Straight	1-1/2"	Class CC
572 RCC	572 RCCP	Rt. Angle		

* Fuse diameter is 13/32"
