Standard color natural.

Material: Nylon 6/6
 Flammability Rating: 94-V0
 Temperature Range: 32°F (0°C) to 185°F (85°C)

- Durable, lightweight, and high strength design.
- Locking Reverse PCB Supports are **ideal for minimal clearance locations** and suitable for chassis-to-board requirements.

- Stacking Retainer Supports are suitable for **board to board and chassis to board** requirements.
- Easily installed without tools.
